

ONESEAL Hair-Pin 2000

When it comes to protection of your cargo, the Hair-Pin 2000 will provide the results.

Hair-Pin 2000 is the ultimate heavy duty barrier seal for protection of cargo transported in containers. The Hair-Pin 2000 blocks the container doors and provides the best security available at an affordable price. Tampering of seals and con-

tainers' door-handles are eliminated by use of the ONESEAL Hair-Pin 2000, and removal is only possible with an electric cutting device. Hair-pin 2000 can not be removed with a bolt cutter.

Specifications

- ▶ Steel barrier seal consisting of two parts plus a hardened steel pin for locking.
- ▶ The easiest barrier seal to apply, as the locking mechanism is integrated.
- ▶ Breaking load of more than 3.5 tons.
- ▶ Upon removal no parts are left on the container.
- ▶ Can be applied on all container types.
- ▶ The seal is engraved with preferred marking and consecutive numbering by use of high technology laser beam.
- ▶ Available with company logo and bar coding.
- ▶ Certified by Customs world-wide, including H.M. Customs and U.S. Customs.
- ▶ Packed with 5 seals per carton.
- ▶ Dimensions: (height: 45 mm - width: 6 mm - min. length: 196 mm - max. length: 406 mm).
- ▶ Weight: 1.4 kgs.
